RE: NOTICE OF COMPANY NAME CHANGE

Dear Sir/Madam

As you know, African Oxygen Limited ("Afrox") was delisted from the Johannesburg Stock Exchange ("JSE") in January 2021.

The majority shareholder at that time of the JSE listing, Linde plc, our parent company, is now the sole shareholder of Afrox.

This notice is to inform you that our company name has changed names from African Oxygen Limited to African Oxygen (Pty) Limited, with immediate effect.

Our registration number and VAT number remains unchanged.

We confirm that there is no change in management or the range of products or services we offer. We remain committed to being the preferred supplier of Industrial & Medical Gases, Welding Consumables and LPG in the African region and look forward to enhancing our relationship with you.

Should you have any queries, kindly contact your Afrox representative.

Yours faithfully
